Welcome to MHS Learn
The Military Health System Learning Portal

Military Health System Learning (MHS Learn) has expanded to embrace the multifaceted nature of the Military Health System. Within this learning portal you will find links, resources and training materials spanning all branches of service as well as Veterans Affairs, the retiree population, and civilian providers.

MHS Learn is your world-class site for online and blended training to help you meet many of your specific training goals and objectives. The learning portal is a web-based training platform providing the military medical workforce with a single point of access source for managing, delivering and tracking medically-related learning. Learners can attend courses in a virtual setting, participate in online training, and obtain free health related training.

MHS Learn Staff training remains as robust as ever. Staff members can click here **MHS Staff Training** and log into MHS Learn to access Health Insurance Portability and Accountability Act (HIPAA), Armed Forces Health Longitudinal Technology Application (AHLTA), Composite Health Care System (CHCS), and other assigned training.

Please take a moment to access the other headings above and explore the site.

PRIVACY ACT STATEMENT NOTICE:
Information contained in the system is subject to the Privacy Act of 1974 (5 U.S.C. 552a, as amended). Personal Information contained in this system may be used only by authorized persons in the conduct of official business. Any individual responsible for unauthorized disclosure or misuse of personal information may be subject to a fine of up to $5,000.

Authority:
5 U.S.C. § 301 (Departmental Regulations); E.O. 12656 (Assignment of Emergency Preparedness Responsibilities); DoD 1322.24 (Military Medical Readiness Skills Training); DoD 5400.11-R, Chapter 7 (Training Requirements); DoD 6025.18-R, Chapter 14.2 (Administrative Requirements, Transition Provisions, Compliance Dates, and Training); and, E.O. 9397 (SSN).

Purposes:
Use of this information is to verify the identity of eligible users of the MHS Learn System and to track the completion of Federal Department mandated training.

Routine Uses:
In addition to those disclosures generally permitted under 5 U.S.C 552a(b) of the Privacy Act, there is permission to disclose of the specific records and/or information contained therein outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

The DoD "Blanket Routine Uses" set forth at the beginning of the Office of the Secretary of Defense compilation of systems of records notices apply to this system.

Disclosure:
Voluntary. However, failure to provide the requested information may result in course reservation and record of training.

REGISTRATION INFORMATION:

Why do we need your Social Security Number?

We request your Social Security number (SSN), month of birth, and full name during the registration process to authenticate who you are. We compare the information you provide with your information in the Defense Medical Human Resource System - Internet (DMHRSi). We store your SSN with your account when we create it and share it with agencies and organizations involved in the documentation of training event completions (NTMPS, ATRSS, DMHRSi).

Is it safe?

We ensure the security of our communications with the use of 128-bit Secure Socket Layer (SSL) encryption. This type of message encryption is the industry standard and establishes an encrypted session between your computer and MHS Learn. We use the same technology other major entities on the World Wide Web (www) use to protect personal information and guard against identity theft. Look for the little yellow padlock at the bottom of your browser window to ensure that a secure connection is established.
